

BURNABLE WASTE

Daily waste, such as:

- Dirty plastic and carton packaging
- Food and plant waste, if biowaste is not collected separately
- Hygiene products, such as diapers and sanitary towels
- Cat litter and pet bedding
- Cleaning waste, such as vacuum cleaner bags
- Plastic items, such as buckets and toys
- Dishes, office supplies, soft toys etc.
- Clothes and shoes
- Flower soil

Used for generating district heating and electricity.
